<b>Title:</b>	ASTRO ECONOMICS: FRESH BUYING EXPECTED IN THE STOCK MARKET		

As per Col Ajay CEO astromoneyguru.com 12th day of June month is represented by planet know as Jupiter while year 2015 is represented by planet known as Saturn

During the day Sun is in conjunction with Mars, Saturn and mercury in Venus's house.

As per Ajay market theory this combination may bring fresh buying interest in stock market at lower levels for next 1-2 trading days.

Traders may keep eyes on banking, capital goods, and Automobile stocks

Following stocks should be kept under observations

- Lic Housing finance
- Chambal fertilizer
